Services

Wraparound
Services

Trauma-Informed
Care

Regional Challenges We Address

The Civil Services Imperative

Migration & Displacement

Enabling State, Local, & Municipality leadership & Federal Government agencies to address **emergencies, the unhoused, and populations at risk.**

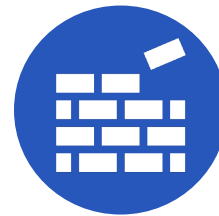

Economic Stability

Funding through the **Emergency Solutions Grant (ESG)**, and **Programs via HUD, VA, HHS, FEMA & IIJA** can be leveraged to secure housing assistance.

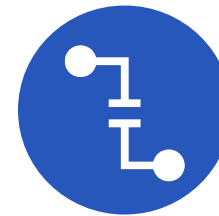

Environmental Threats

Contingency planning for natural disasters that meet scalable **fixed & mobile shelter needs** with responsive wrap-around services.

Aging Infrastructure

Independent owner's agent to ensure the **cost effective and timely completion** of capital improvements.

Gaps in Basic Services

Providing repeatable processes & technology platforms for **humane, urgent care and wrap-around support services** that align with DHS, HHS & State government policies.

What We Deliver

A Seamless Continuum of Care from Assessment to Independence

Site & Shelter Operations

Acuity supports setup and long-term management of temporary and permanent facilities with an emphasis on safety, security, and efficiency. Services include shelter deployment, transportation, IT, security, healthcare, and daily operations oversight.

Wraparound Services

Acuity provides coordinated, holistic care to help shelter residents—especially those displaced or homeless—transition to stable housing and long-term well-being.

Program Management Services

Within 72 hours of a disaster, Acuity mobilizes strategic and operational leadership to manage complex, large-scale missions in high-risk environments.

Case Management Services

Acuity delivers survivor-centered support to help individuals and families regain stability and resilience following displacement or disaster.

Trauma-Informed Care

Acuity embeds trauma-informed practices in crisis response to promote healing, trust, and autonomy for survivors through culturally sensitive, supportive environments.
