What We Do Well

Security Cooperation, Peacebuilding, and Human Security

We know that resilience starts with good data, dignity, and local leadership. Our expertise helps fragile systems recover faster and rebuild institutional trust. (NORTHCOM J5)

Monitoring, Evaluation, and Learning

Taking Monitoring and Evaluation to the next level, our experience and expertise are now fueled by AI-powered tools turning data in action faster. (Over \$50B in projects monitored; 2,250 program evaluations)

Strategy & Leadership Development

From vision to execution, we co-create strategies to equip institutions and leaders with the ability to adapt, align, and lead in complexity. (USAID Egypt Mission)

Youth Empowerment & Workforce Futures

From classrooms to co-working spaces, we co-design futures that work by investing in youth as innovators, builders, and agents of change. (Jordan)

Advanced Analytics and Digital Advisory

We help countries chart their digital future on their terms through the ethical use of AI and automation to boost insight, streamline operations, and accelerate results. (DSCA)
