# PLANATE At A Glance

## Project, Construction, and Design Management

Delivering integrated A-E design, program management, and construction oversight services across diverse environments

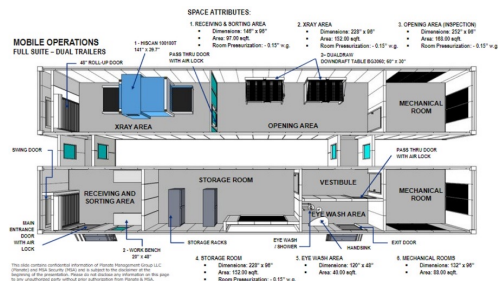

### AFCAP V – Typhoon Mawar Recovery Support, Guam

## Secure Mailroom Automation

Designing and deploying smart mailroom solutions with robotics and sensor-driven systems to streamline operations, improve security, and reduce manual handling in sensitive environments.

### MSA CBRNE: Phase 1 Amazon Negative Pressure Mailroom – Renton, WA

## Base Operating Support

Providing facility operations, logistics, and infrastructure support in complex, remote, and expeditionary settings worldwide—including weapons storage and specialized maintenance operations.

### Munitions Storage Assessment & Design – Soto Cano Air Base, Honduras

## Critical Power Systems

Providing full-spectrum support for facility power—from audits and design to installation, testing, and commissioning of UPS systems, generators, and containerized power solutions. We ensure performance, safety, and compliance every step of the way.

### UPS System Commissioning – NIOC, Corry Station, FL

## Technology Integration

Robotics and AI integration for business and defense applications—including the deployment of autonomous systems such as UAVs and ROVs, and support to DTRA and CBRNE programs.

### DTRA CBRN Preparedness Facilities – Ukraine & Albania

## Communications & Electronic Equipment Support

Delivering technical services for installation, maintenance, and lifecycle support of communications and electronic systems—enhancing operational readiness and secure infrastructure performance.

### 2500kW EMD Generator Overhaul – Port Hueneme, CA

MANAGEMENT GROUP

CORNERSTONE FOR SERVICE, INTEGRITY, AND INNOVATION

## BLUF

Bottom Line Up Front

### CONSISTENT DELIVERY

project success defined by delivery – delivering quality projects meeting client objectives. Our standardized project delivery framework assures our proven project delivery approaches are consistently adhered to.

### AGILE RESPONSE

we offer the flexibility and scalability to staff and manage projects of any size or complexity

### COST EFFECTIVE

Highly skilled pool of local multi-disciplinary technical team delivering efficient designs

### CLIENT FOCUS

Partnering closely with clients to grasp every project objective and expertly navigate all relevant government agencies.
