MISSION IMPACT – Readiness and Sustainment Solutions

Global Logistics

KBR has provided mission-critical logistics support to the U.S. military during every major conflict since WWII

Base Operations

24/7 uninterrupted services to over 50 mission-critical sites in 17 countries, supporting over 50k military personnel and civilians

Prepositioned Stock

KBR manages more than 50% of all U.S. Marine Corps ground combat assets

Global Crisis Response

Mobilized within weeks to house, feed and care for 58k Afghan refugees, operating nine global sites

Supply Chain Management

Annual freight movements originate from over 30 locations worldwide and are shipped to more than 60 destinations globally across a multi-modal transportation network

Advanced Industrial Production

KBR performs precision calibration and inspections of 35k different aerospace components, ensuring safety and reliability of critical flight hardware
